Tonight's concert is the family outing of 2009 all rolled into one. Activities begin at 5:30. Antique and classic cars will be on display; the American Legion will be serving hot dogs, hamburgers and cheeseburgers, chips & soda; the Lions Club will serve pizza & soda (all proceeds from the food sales go to the community). Face painting and balloon sculptures will keep the little ones occupied between 5:30 and 7:30.

At 7:00 **Island Rhythm** will bring you the ultimate beach party featuring steel drums, congas, ukulele & other exotic instruments. Calypso, Hawaiian & Reggae are mixed with beach party music by Jimmy Buffet, the Beach Boys, Baha Men & Harry Belafonte. There will be lots of audience participation and interaction including Limbo, hula dancing, Conga line and more!

At 7:30 the Parks & Recreation Board will serve up their now-famous FREE ice cream sundaes while you enjoy the music.

Our sponsors have stepped up again in these difficult economic times. If this concert is not moved indoors because of rain, we will add another concert on Thursday, August 6th.
